

NOAH HEMPEL

BASEBALL OPERATIONS / PLAYER EVALUATION / RESEARCH

noah@thehempels.com | Riverside, California

linkedin.com/in/noah-hempel-b95b5437a | test.ninefoldbaseball.com

EDUCATION

California Baptist University | B.A. Business Administration

Strategic Business Analysis and Insights concentration. Expected graduation 2028.

RELEVANT EXPERIENCE

Ninefold Baseball | Founder & product developer

Developing a baseball operations and JUCO recruiting platform focused on data organization, player evaluation workflows and practical decisions for college baseball staffs.

CBU Baseball | Volunteer baseball operations & analytics involvement

Supporting baseball operations and analytics work while gaining experience with evaluation questions and baseball information workflows.

SELECTED INDEPENDENT RESEARCH

2026 Prospect Evaluation Board

Selected Top 100 from an original 160-player pool across all 30 MLB organizations. Includes organizational priority lists; ranks 17-100 remain provisional.

Dodgers Organizational Philosophy Analysis

Qualitative analysis of acquisition, development, roster flexibility, depth and organizational tradeoffs.

Ninefold Product Development Case Study

Product requirements, information architecture, data modeling and decision workflows; integrations and validation ongoing.

Chase Rate x Whiff Rate Framework

Conceptual hitter risk classification and proposed quantitative validation design. Not a statistically validated model.

CAREER DIRECTION

MLB baseball operations, scouting and player evaluation

Long-term direction toward front office leadership, connecting scouting judgment, roster construction and baseball information systems.
